

# Flex Wrap A Rounds - Front / Side / Rear Washers

Z-Frame Wrap A Round Shown

Wash n Go / Superior heavy duty Stainless Steel Flex Wrap A Rounds are engineered to be simple by relying on gravity to operate.

Designed to provide years of thorough and gentle cleaning by utilizing a flexible hinge bracket design for additional security.

Our unique design allows the scrubber to self-adjust automatically to changes in conveyor speed.

There are no complicated controls or sensors that can easily malfunction, making this system among the simplest, most efficient, most reliable, and safest in the industry today.
